

MEMBERSHIP BILLING AGREEMENT

— NEXJEN BJJ & MARTIAL ARTS —

Membership packages entitle the member to attend any/all regularly scheduled BJJ classes and open mat sessions. Fees for seminars, special events and add-on classes (ex: karate, cardio MMA) are NOT included as part of the membership unless otherwise specified.

Multi-level (family) discounts apply to members of the same family/household only.

First responder or Military discounts: To receive the applicable discount(s), the **responsible party** must be a uniformed police patrol officer, full time fire fighter, paramedic or a military veteran or member of the National Guard or Reserve, *and be an active NexJen BJJ member.*

Membership packages require a 6 month contract with scheduled auto draft payments (credit, debit or ACH).

The initial membership payment will be prorated by the week if 3 weeks or less are left in the month at enrollment. Enrollment fees are NOT prorated. *The initial membership payment and enrollment fees are non-refundable.*

The 6 month contract begins the 1st of the month following the enrollment date. After the first invoice is paid, you will receive a request to set up recurring payment, which must be completed prior to the 1st billing cycle. **Failure to complete the recurring payment setup by the following billing date will be considered your cancellation of enrollment and subject to the early cancellation fee.**

Membership fees are automatically drafted on the 1st of each month. An alternative draft date can be requested, but may not be approved. No prior-notification of the charge will be provided unless the date or amount changes, in which case NexJen will notify the member least 10 days prior to the payment being collected.

Billing contracts automatically renew unless written notice of termination is received a minimum of 14 days prior to the end of the contract. Otherwise a new 6 month contract will begin. An additional enrollment fee is not charged for auto-renewals with no changes.

If a membership contract (whether the initial or auto-renewed) is canceled in the 1st-5th month, an early cancellation fee equal to ½ of the remaining contract balance will be due immediately and payment will be auto-drafted from the billing account.

If membership is terminated due to infraction(s) of the General Gym Rules, an early cancellation fee equal to ½ of the remaining contract balance will be due immediately and payment will be auto-drafted from the billing account.
